Her eyebrows are unfortunately rather faint, so she fills them in every morning. She has thick, dark hair. Her hair is loosely curly and it goes down to her boobs. Elena inherited her mom's curvature, and she has double D breasts. Unlike her mother, however, Elena likes to show off her cleavage. She has a nice hourglass shape, with her hips and butt balancing out her chest.

She wears foundation, concealer, mascara, eyeliner, eyeshadow, lip liner, lipstick, and she darkens and fills her blonde eyebrows. She has a smattering of freckles across her face, but she hates them and covers them with her makeup. Her hair is long, blonde waves with darker roots. Her real color is a mousy brown and she gets touch-ups every 2-3 weeks. Her glossy waves tumble below her breasts, almost reaching her waist. Her body is thin, with pale ivory skin, and B-cups. She has a tiny waist and small hips, and her arms and legs are long and slender.

Her hair just reaches her boobs. Hannah has a slim, athletic body that looks good in just about anything. She has C-cup boobs, which she is fairly proud of. She's very leggy, and has a shorter torso. Her skin is fair, but not extremely pale.
